My Dear Daughter

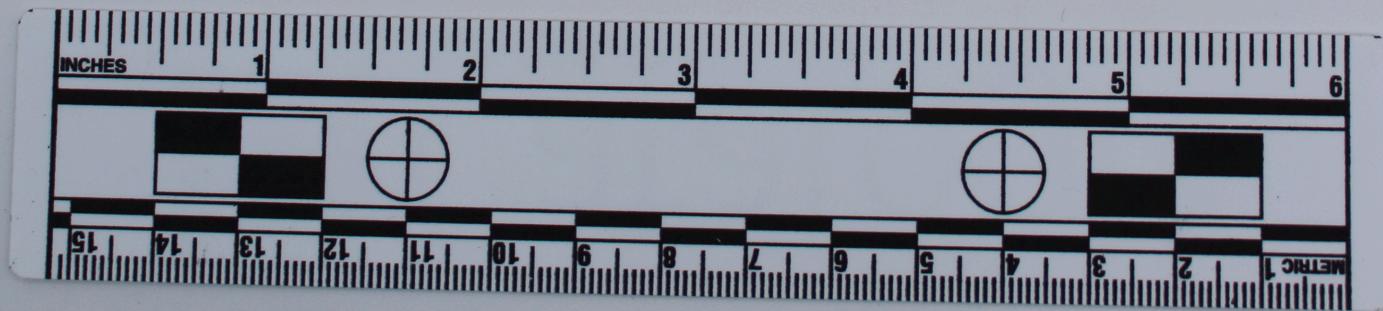

I arrived  
here an hour ago - 4 o'clock  
having been sent for -  
Baby lived, 5 hours after  
full - it is a beautiful  
boy. Sarah was in labor  
8 hours or more and in  
order to save her they took  
it from her with instruments.  
Two physicians were  
present. She is very low  
and is still under the

so sorry for them. come if  
you think best. you will  
great trouble. It is now raining  
and we have had a dreadful  
storm -      Mother  
Received your last

influence of chloroform  
notched her arm Archie  
on her have slept some  
last Thursday, baby  
was born the morning at  
seven - Mary is now away  
arranging for the bundle  
of Baby which will take  
place early in the morning  
Sarah and Archie are  
mourners and lamenting  
awfully at the loss of  
their dear baby - Mrs. Lomie  
Mrs. Grey and the two  
doctors and Archie were  
with her all night and  
she does not want Archie  
out of her presence -  
and he wants to be with  
her all the time

The Dr says the must  
be kept very quiet.  
Dennie has just come.  
Baby has become already  
very much discolored.  
I wish you could be  
here a few days to take  
care of Sarah but  
she say she would  
like to have have you  
but she cannot afford  
to pay you wages and  
then she might be  
keeping you out of a  
case while you are here.  
The weather is extremely  
warm all of Tonies  
are coming to night to  
see baby - Oh I am -
